

Hello,

The Greater Inman Area Chamber of Commerce, of Inman, SC, has hosted the Inman Harvest Day Festival since 1981. We are excited to celebrate this year with our 34th Anniversary on September 26, 2015!

The attendance for the festival has been estimated to be 15,000 for this one day event. For a city the size of Inman, this is an example of how advertising and the commitment of the Chamber of Commerce, the City of Inman, the businesses in and around Inman and the residents working together to insure that this event is looked forward to. This is the largest event for the Inman area and the Events Committee is dedicated toward keeping our small town feel while welcoming all visitors to become a part of our community.

We encourage our local businesses to participate in the Festival by Sponsorship, setting up tables in front of their business, and having their doors open.

We encourage businesses outside of Inman City Limits, also. They too can become Sponsors. With each level of Sponsorship, your business has the opportunity to set up a space to promote your business. You have the potential of increasing your client base, being visible and enjoying this event.

Surveys from 2014 show 51% of our visitors to the festival travel from outside the local area.

To have a successful event of this size, the Chamber would be grateful if your company could assist in sponsoring this event.

We have enclosed a commitment form that explains the different levels of sponsorship.

If the Chamber can be of assistance, please call 864-472-3654 or email at [inmanchamber1@gmail.com](mailto:inmanchamber1@gmail.com)
